

Scorpion Bike Wheels

60 Westbrook St.
New Bedford, MA 02740
774-206-9173

Two-year Warranty for manufacturer defects, parts and labor under normal wear and tear use.

We offer free wheel overall at any time during the two year period. Includes truing, check bearings for lubrication or replacement if needed, replace spokes, hubs nipples or rim, as needed.

Before every ride:

- Check the over all integrity of the wheel.
- Look for cracks in the rim
- Lose spokes
- Check hubs for smooth spinning.
- Inspect braking surface for excessive wear and defects like bent areas that could cause tire blow out.

DO NOT exceed recommended tire pressure of the rim. Check with manufacturer.

Our alloy rims are 135 PSI

Our carbon rims 125 PSI

CARBON RIMS SHOULD BE USED WITH RECOMMENDED CARBON BRAKE PADS.

Not ALL carbon brake pads are recommended wit our rims.

I.e. KoolStop/Zipp brands are NOT a good match.

Contact us for details

All other products, hubs, tires, tubes, tape sold by *Scorpion Wheels* are covered under the warranty offered by the brand manufacturer.

Just send it to us, we pay shipping back to you
